Description Summary:

Springfield is accepting applications for a Financial Accountant. Reports to the Financial Planning & Analysis Controller and is a critical position within the Finance and Accounting function. Assists with preparation of monthly inventory valuation, closing entries, account reconciliations and financial analysis reporting in addition to metric reporting and monthly variance analysis of actual results vs budget (and vs prior year). This role supports department projects such as annual audits and systems maintenance/updates. Performs miscellaneous accounting duties as required.

Essential Duties and Responsibilities:

- Analyzes and values inventory and ensures accurate recording of cost.
 - Conducts detailed analysis of product cost and work order flow.
 - Assists with analysis of cost variances and overhead.
- Prepares annual departmental budgets with accounting team.
- Prepares variance analysis of actual results vs budget.
- Assists in development of company forecasts and estimates.
- Generates reports from various sources, responds to inquiries, and conducts research.
- Prepares manual journal entries, account reconciliations and financial reports.
- Collaborates with team and test IT system upgrades/purchases and installations.
- Provides documentation and reports required for year-end audit.
- Other duties as assigned: work may include but is not limited to above listed responsibilities.

Requirements:

Appropriate education (bachelor's degree in accounting or finance) and demonstrated work history (2 years) expected. CPA, MBA and experience in manufacturing is preferred. Proficiency in the operation of office machines and Microsoft programs is expected. Requires strong and effective analytical communication and technical skills. Cognizant of applicable state and federal laws. This position is trusted to handle and protect company-private information: discretion, integrity, and ethics nonnegotiable.

Compensation:

Springfield offers a competitive salary and extensive benefits package which includes a generous, comprehensive, and affordable health plan in addition to dental, vision, life, disability, flex, 401(k), and other options.
