SPRINGFIELD ARMORY

POSTING LINK: Machine Maintenance Tech

Title: Machine Maintenance Technician
Status: Full-Time

Description Summary:

Springfield anticipates a Maintenance opening to work directly with our Machine Shop to inspect and maintain equipment and machines. This role inspects, troubleshoots, and maintains the precision equipment that keeps manufacturing operations running safely and efficiently. This is a hands-on opportunity for a mechanically skilled technician able to follow and document disciplined maintenance practices. Duties and Responsibilities include but are not limited to the following:

- Performs routine inspections, executes preventive maintenance plans, and maintains accurate service records.
- Diagnoses and troubleshoots mechanical, electrical, and hydraulic issues on CNC and shop equipment.
- Resolves equipment issues to minimize production downtime.
- Uses hand and power tools to complete repairs and scheduled maintenance tasks.
- Moves and repositions machines between locations as needed
- Coordinates time, materials, and resources to support the department's overall success
- Follows all applicable standard operating procedures and safety protocols

Requires the physical ability to stand, regularly lift and move light to medium weight (up to 65lb) boxes and occasionally heavier objects. Fine hand manipulation used to accomplish tasks. Must be able to identify numbers and/or be responsible for learning simple to complex technical tasks. Must follow safety guidelines and work in a manufacturing area.

Machines:

Amereseiki and Mitsubishi vertical/horizontal CNC
Laser engraver
Swiss lathe
Broach and wire EDM
Robo Drill
Nakamore – Tome

Requirements:

Appropriate education (high school diploma or equivalent, technical training) and demonstrated work history expected. Training and familiarity with OSHA regulations as they pertain to maintenance operations in addition to hazardous materials awareness training is helpful. Skills required include manual dexterity, problem-solving, and technical. Must be cognizant of safety regulations pertaining to the handling and use of firearms.

Compensation:

Springfield offers competitive compensation (24.00 -28.50) and extensive benefits package based on number of hours worked and time in position. Available benefits may include: comprehensive and affordable health plan in

addition to dental, vision, life, disability, flex, 401(k), and other options. To learn more about Springfield Armory products and services visit www.springfield-armory.com. *Consideration may be provided for advanced skills and experience.*
